

We're hiring a  
**Working Student DevOps**  
(m/f/d)  
to support our Team in Munich

Your Role at Neos

**Learn:**  
Gather new work experience and grow within our DevOps experts team

**Develop:**  
Get hands-on experience on state-of-the-art Cloud technologies and DevOps programming languages

**Have fun:**  
Beat the project managers at darts and help benchmarking Augustiner vs. Tegernseer

### About Neos

Neos is a Cloud-, Infrastructure- and Service Provider, specialised in building customised Digital Platforms across all industries. We offer a full range of solutions around Big Data, DevOps and Software Defined Data Centers, including Infrastructure and Application Management, Cloud Infrastructure Enablement and application development platforms.

### What we offer

An exciting and stimulating position in a dynamic, fast growing and multi-cultural IT company. You will have the opportunity to develop yourself and your career, working in multiple areas in a fun relaxed, professional environment. You will also have the opportunity to be innovative and think 'outside of the box'.

You at Neos

- Assisting with development and maintenance of in-house applications (based on PHP, Perl and Python)
- Development of scripts and modules for the operations team (Python scripts, Ansible modules)
- Operational support of Neos applications (in-house developed and other OSS software, example OTRS)

## Academic background

Bachelor degree is an advantage but not a requirement.

## Professional experience

1-2 years of professional experience and/or the ability to display a proficiency in the required skills.

## Required skill set

- PHP 5.00, HTML, Javascript, CSS
- RDMS (PostgreSQL or MySQL)
- Version control concepts using Git / Gitlab / Github (branching, merging, pull requests etc)
- Python 3.x
- Shell scripting (Bash, SH etc.) and familiarity with Linux command line
- Excellent German and English language skills

## Optional additional skills

- Symfony PHP Framework
- Ansible
- Docker
- Cloud services (like AWS)

If you believe you are the right person, please send your application via e-mail to Julia Häge!
