

# Neos

whatever IT takes

We're hiring a  
**Head of Sales (m/f/d)**  
to lead our Sales Team in Munich

Your Role at Neos

**Sales Management:**

Apply your outstanding consultative selling skills for Cloud solutions

**Leadership:**

Lead, coach and grow the Neos Sales team for Germany

**Business Development:**

Leverage your deep rooted IT- for Travel- and Insurance industry knowledge plus strong personal network to uncover business opportunities

**Global Collaboration:**

Be able to work in a multi-cultural environment across three locations

## About Neos

Neos is a Cloud-, Infrastructure- and Service Provider, specialised in building customised Digital Platforms across all industries. We offer a full range of solutions around Big Data, DevOps and Software Defined Data Centers, including Infrastructure and Application Management, Cloud Infrastructure Enablement and application development platforms.

## What we offer

An exciting and stimulating position in a dynamic, fast growing and multi-cultural IT company. You will have the opportunity to develop yourself and your career, working in multiple areas in a relaxed, professional environment. You will also have the opportunity to be innovative and think 'outside of the box'.

Principal Tasks

- Drive the future of Neos into advanced cloud migration services
- Take ownership of Neos's revenue and growth ambitions in Germany
- Actively develop and maintain close personal relation with Senior Executives at our current customers and new potential customers to drive our current and innovative services
- Develop and implement effective sales and go-to-market strategies for our services
- Leverage your existing network and actively develop a healthy sales project pipeline
- Collaborate closely with other members of the Management Team to align services road-map and sales strategy
- Lead, build, coach and mentor the team of Account Managers and Technical Solution Managers in consultative selling in a fast-changing technology market
- Set targets, objectives and performance goals against the company's targets for the Sales Team
- Ensure compliance of the commercial team with processes, tools and policies (e.g. CRM system)

## 1. Professional Experience

Minimum of 10 years' experience in international IT Sales and/or Business Development roles

## 2. Required skill set

- Track record of driving and exceeding ambitious sales targets while inspiring and motivating your sales team
- Ability to develop and maintain senior management relationships to build long-term trust and generate new business opportunities
- Ability to understand and articulate the impact of technology changes on business models in various business models and industries
- Substantial experience in people development, account development, organizational excellence, consultative selling and sales operations
- Proven track record of negotiating and closing larger contracts
- Ability to work with peers on a global scale to achieve success in all areas of the business
- Capabilities to inspire and motivate teams and team members and create an open dynamic and supportive team environment
- Excellent German and English language skills

If you believe you are the right person, please send your application via e-mail to Julia Häge!
