

We're currently looking for a
Siebel Administrator (m/f/d)
to support our team in one of our EU branches or remotely

About Neos

Neos IT Services is a leading technology advisor to companies relying on business critical platforms. Neos is a partner to major enterprises delivering digitization roadmaps, automated cloud infrastructure, application development platforms and Big Data platform optimization. With approximately 80 professional staff and three global branches, Neos offers a full range of IT solution architecture including migration to Cloud, Big Data, DevOps and Security.

Principal Tasks

- Installation and operational support of the Siebel Environments
- Deployments, troubleshooting and proactive analysis
- Active involvement of other parties within project across remote locations
- Problem and incident management activities
- Monitoring and capacity reports on the platform
- Taking crucial role in the operation support team
- Keeping architecture and system documentation up-to-date
- Maintaining knowledge base for known issues or procedures
- On-call support on a rotary basis

Your Profile

- At least 2 years of hands-on experience in Siebel 8 or higher (IP22) as an administrator (not as a developer) on Windows and Linux Platform
- Understanding of load balancing, HA concepts and system architecture
- Basic network knowledge (routing, firewalling, VPN)
- Experience with Oracle Database and PL/SQL
- Batch scripting skills (Windows/Linux)
- Experience with setup of monitoring for applications
- Strong experience in problem-solving, troubleshooting and root cause analysis
- Fluent written and spoken English
- Excellent team player and communicator

Advantage:

- IBM DB2
- Oracle Cloud Infrastructure (design, build)
- Terraform
- Kubernetes
- Security Concepts and Security Tools
- Experience with BI Publisher as an Administrator
- Experience with PL/SQL
- Experience with Oracle Support

We offer

The greatest in Neos are our people! Imagine an exciting and stimulating position in a dynamic and multi-cultural environment of IT experts. You will have the opportunity to develop yourself and your career, to work in multiple areas in a fun, relaxed and professional environment. You will also have the opportunity to be innovative and think 'outside of the box'. We see ourselves as a family who helps each other and develops further together. In addition you will profit from the following benefits:

Modern tech stack & projects

International environment & flat hierarchies

Family friendly flexible work hours

Work-life balance (home & remote office)

Competitive Salaries

Training & development

Company assets (Phone, PC, etc...)

Fun, Events & Beer O'Clock

Darts & Kicker

Train station nearby & free parking spaces

Food & drinks

Medical insurance & Company pension scheme

*Benefits may differ for each location

Neos is an equal opportunity workplace and especially proud of the multi-cultural working environment. We are committed to equal employment opportunity regardless of colour, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability or gender identity. If you have a disability or special need that requires accommodation, please let us know.

**If you'd like to join us, please send your application via e-mail to Julia Häge.
We are looking forward!**
